THE PEOPLE

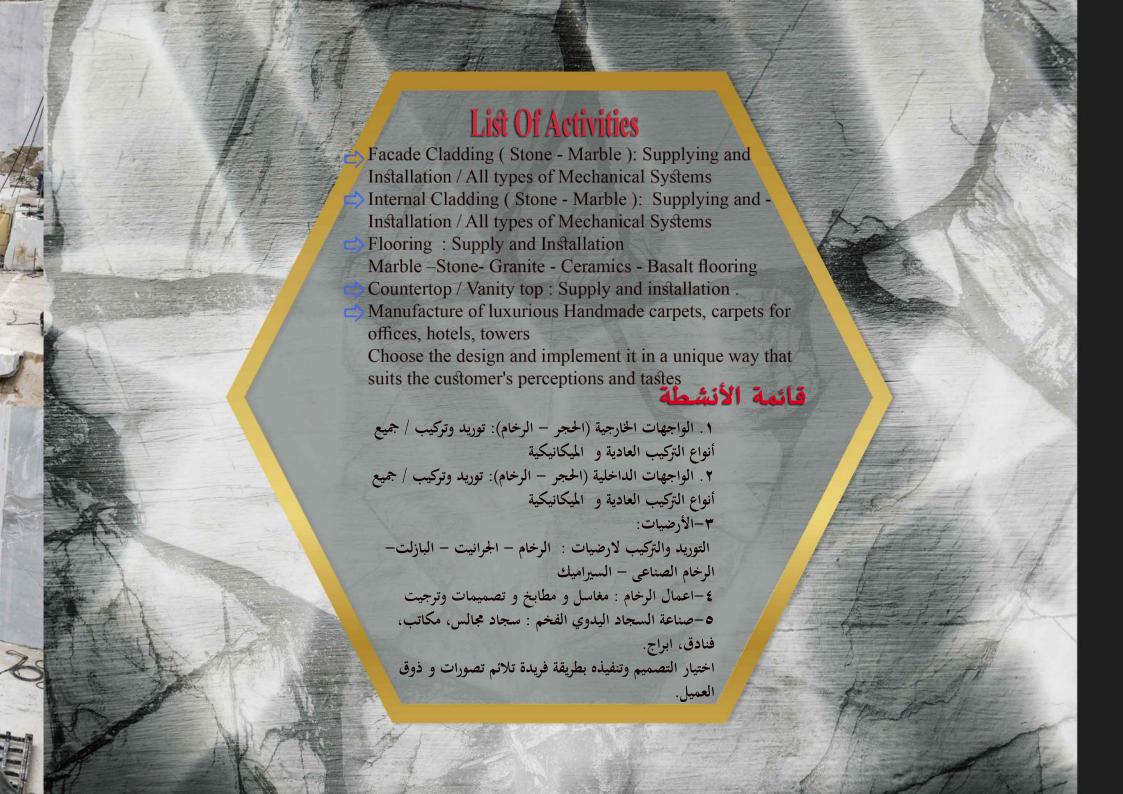

Sham is a renowned brand in the natural stone industry. The people behind Sham have worked relentlessly to create a symbol of quality, and customer satisfaction. Through relationships with the best quarries around the globe, Sham has acquired the ability to source premium materials. Sham found its niche in the competitive Middle East market by proving time and again to its faithful clients that its product was and continues to be superior because of the right sourcing and pricing. At Sham, we consider marble to be precious, its beauty to be marveled at for generations to come, hence disallowing us from compromising the quality of our material from all angles and perspectives

THE PRODUCT

Sham specializes in premium imported Natural Stones handpicked from best quarries around the world, in countries such as Italy, Spain, Greece, Portugal, Brazil, Turkey, Macedonia, India, Pakistan, Egypt, China and many more. Sham is perfect for fulfilling your dreams of creating an extraordinary interior & exterior, through its vast treasury of natural stones of exotic & rare designs. Over the period of time Sham has added all possible colors of natural stones from every corner of the world to its stock. Today Sham stocks more than 250 colors of marble, granite, onyx, travertine, lime stone, sandstone & slate, so as to provide an extensive range of natural stones under one roof to it's valued clientele
